

# Norton Critical Editions

## PRICE LIST 2023

Each **Norton Critical Edition** includes an authoritative text, contextual and source materials, and a wide range of interpretations—from contemporary perspectives to the most current critical theory—as well as a bibliography and, in most cases, a chronology of the author’s life and work. **Norton Critical Editions** are the choice of excellence at more than 2,500 colleges and universities worldwide. The editorial and production value of these classic texts has been setting the standard since the series began in 1961. Each volume includes the most authoritative version of the text available, together with detailed explanatory annotations, contextual and critical materials judiciously chosen to encourage indepth study and classroom discussion, and a selected bibliography for further reading. Additional supporting materials—illustrations, maps, glossaries, and chronologies, among others—accompany many texts in the series.
